

Application No.: 09/693,481
Filing Date: October 20, 2000

REMARKS

By way of summary, Claims 1, 3, 6, 8-13, 28-35 were pending in this application. In the present amendment, the Applicants have amended Claims 1, 28 and 33. Accordingly, Claims 1, 3, 6, 8-13, 28-35 remain pending for consideration.

Response to Board Decision

Applicants respectfully disagree with the findings of the Board of Patent Appeals and Interferences and maintain their traverse of the pending rejections. However, in order to advance prosecution of the present Application, the Applicants have amended Claims 1, 28 and 33. Applicants respectfully submit that the prior art made of record do not teach or suggest, either alone or in combination, all of the limitations of the currently pending claims.

No Disclaimers or Disavowals

Although the present communication may include alterations to the application or claims, or characterizations of claim scope or referenced art, Applicant is not conceding in this application that previously pending claims are not patentable over the cited references. Rather, any alterations or characterizations are being made to facilitate expeditious prosecution of this application. Applicant reserves the right to pursue at a later date any previously pending or other broader or narrower claims that capture any subject matter supported by the present disclosure, including subject matter found to be specifically disclaimed herein or by any prior prosecution. Accordingly, reviewers of this or any parent, child or related prosecution history shall not reasonably infer that Applicant has made any disclaimers or disavowals of any subject matter supported by the present application.
